Professional Summary

Software developer with a background in full-stack development, specializing in the MERN stack. Recently completed training at GoMyCode, where I built real-world applications using React, Node.js, and AWS. I enjoy solving problems through clean, scalable code and working with teams to create impactful, user-focused solutions

Skills

Languages: JavaScript, TypeScript, Python

Databases: MongoDB, PostgreSQL, MySQL

Frameworks: React.js, Node.js, Express.js, Next.js

Tools: Git, Cloudinary, TailwindCSS, AWS

Work Experience

Software Developer (Intern)

GoMyCode, Nigeria | April 2024 – September 2024

- Built and maintained RESTful web services to streamline API management and simplify onboarding processes.
- Developed and optimized front-end components to enhance application functionality and performance.
- Collaborated with senior engineers to create API endpoints for a social media database and worked with a cross-functional team to meet project deadlines.
- Key Technologies: HTML, CSS, JavaScript, ReactJS, NodeJS, MongoDB

Projects

Real Estate Marketplace

Self-directed | September 2024 – Present

- Designed and developed a full-stack real estate marketplace, integrating RESTful APIs for property listings and secure AWS-based authentication.
- Incorporated Google Maps API and geolocation services for location-based searches, enhancing the user experience.
- Managed media uploads with Cloudinary, enabling efficient property image handling.
- Key Technologies: React.js, Node.js, MongoDB, Cloudinary, AWS, Google Maps API

Task Manager Web Application

Collaborative Project | [Live Demo](#)

- Worked with a team of 10 developers to build a task management website, implementing features such as user authentication and task tracking.
- Contributed to front-end development using React Router DOM for smooth navigation and user experience.
- Key Technologies: React.js, JavaScript, TailwindCSS, React Router DOM, Git, Vercel

Education

B.A. in History

University of Lagos, Lagos, Nigeria | 2016 - 2021
